Color Television

PR1302C

Remote Control

21-Button Total Remote controls:

- Alternate channel
- Menu display
- 4-way cursor control
- Random channel access
- Programmable scan tuning
- Closed Caption
- Volume control
- Volume mute
- 120-minute sleep timer
- Status/exit
- Power on/off

(Remote # RC0801/04)

Convenience

Alternate Channel

Keep close tabs on 2 different channels with one-button convenience. Simply select 2 channels using the channel scan (CHANNEL▲/CHANNEL▼) method or the Direct Access method. Then, using the A/CH button on the remote control, toggle between the programmed channels.

Sleep Timer

The Sleep Timer automatically turns the TV off at a preset time of up to 120 minutes from the time the feature is activated. Sleep timer settings are programmed in 15-minute increments.

Trilingual Onscreen Display

Onscreen displays assist in selecting preferred picture performance levels, choice of regular or cable viewing source, and indicate the activation of special features. Displays may be put on screen in English, Spanish, or French.

Auto Programming

When activated, this feature automatically scans all available channels–from regular antenna or cable–and programs only active broadcast stations into memory. CHANNEL ▲ or CHANNEL ▼ buttons, on the remote or at the set, will then sequence through only those preprogrammed channels.

Closed Caption

Activated through a special onscreen menu or by pressing the CC button on the remote, the Closed Caption feature allows the hearing impaired to read dialogue and narratives (on Closed Caption telecasts) without the use of an optional, external decoding device. Program dialogue and narrative material is printed at the bottom of the screen. Excellent for development of language skills and private viewing without disturbing others as well.

Sound

Onscreen Volume Bar

When activated, this feature displays an onscreen volume bar providing a visual indication of the volume setting.

Audio/Video Jack Panel

Audio/Video Jack Panel (J700)

The A/V jack panel on the back of this set includes a coaxial RF input for connection to CATV, CCTV, or indoor/outdoor antenna system.

Additional Features Include:

- Channel edit
- Total remote menu format tuning with multicolor onscreen graphics
- 181-channel capability
- 4-way cursor control
- Random channel access
- Programmable scan tuning
- Status recall
- Cable/normal select
- 4" oval, full-range speaker
